

2026 Candidate Information

(listed alphabetically by last name)

Kristin Abbott

Interest: I am a 32-year resident of Exeter, who is deeply invested in our community. My kids and grandkids all have gone to local schools (LES, Loving, SMMS, HHS, and THS). I volunteered on the PTO and coached my daughter's soccer team. I am finishing my first term on the Exeter HOA board: two years as Corporate Secretary, and one year as President. During this time I have served on the pool and grounds committees and restarted the community social committee.

Since the Exeter community is now approaching middle-age, I want to help ensure the board continues to operate in the best interest of the full community. A lot of community maintenance items were deferred as we repaid our loan for dam repairs. It's time to reinvest in our common spaces and conduct more community events to rebuild the neighborly relationships that have waned since COVID.

Qualifications: In my daily work, I am a Manager of Administration, managing the shared service IT, Security, Logical Security and Infrastructure relationships. I also serve as our US Compliance Ambassador, ensuring ethics standards of the company are upheld. I am the US project lead for a global implementation of a new ERP provider. These duties have helped my hone my leadership, project management, and communication skills. It would be my honor to continue to serve Exeter on the board of directors.

Tony Nerantzis

Interest: I've been on the BOD's for the last 6 years, and willing to continue contributing

Qualifications: Active in the Community, supporting many non-profits

Financial Advisor for the last 38 years, managing a Financial Service firm in Downtown Leesburg.

President of the Exeter BOD: 2020-2025

President of Western Gateway BOD: 2026 to present

Chairman of the Board for Loudoun Community Media 2023-2026
